

C. Earl Hunter, Commissioner

Promoting and protecting the health of the public and the environment.

September 21, 2011

The Department is seeking nominations for individuals who would be willing to serve on an Ad Hoc committee for review of the CON program. On September 8, 2011, the DHEC Board granted approval to form this committee. The committee will be charged with evaluating the Certificate of Need statute, regulations and processes in order to determine recommendations relating to CON.

Nominations are being sought from stakeholders throughout the state. If you wish to be considered for this committee, please provide the department with contact information and supporting documentation. The supporting documentation should be a brief statement describing the qualifications that would allow you to provide significant input and perform competent evaluations of the CON statute, regulations and/or processes. Please do not submit a resume'.

Below is a list of entities that we would like to have represented. When submitting a nomination for this panel, please indicate which category you are most closely aligned with.

The first meeting is expected to take place in late October or early November in Columbia, S.C. It is expected to last 3 to 4 hours. Subsequent meetings will be scheduled at that time. It is anticipated that the duration of the committee is expected to be 6 months.

Please submit all nominations to Melinda Bradshaw by September 28, 2011. Nominations may be mailed to 2600 Bull Street, Columbia, SC 29201-1708. Nominations may also be faxed to (803)545-4579, or e-mailed to bradshmw@dhec.sc.gov. If you have any questions regarding the above, you may contact me at (803) 545-4577.
